

UCLA Clinical and Translational Science Institute

CTSI Research Associates Program

Clinical Research • Shadowing • Mentorship

What We Do

- Gain firsthand exposure to clinical research with UCLA physicians
- Shadow health professionals at the Ronald Reagan Medical Center
- Receive mentorship for medical, PA, nursing, and research careers
- Earn research credit (SRP 99/199) and clinical volunteer hours
- Interact directly with patients!

Apps Open!
Due Oct. 12
@ 5PM

Visit Our Website!
